

We need your HELP for our Grads!

Although the graduation for our Grade 12 students occurs in June, co-ordination of Grad festivities is well underway. There is a significant shortfall expected for the Grad budget this year from contributors. We need your help to ensure the various grad activities are successful, especially our fundraising events.

We are asking parents of Grade 12 students to volunteer for the following but if time constraints prevent your participation, then we ask you to please make a monetary contribution.

Please check your option below:

Volunteer:

- Collecting or contributing prizes from businesses for the Byng Raffle and/or Dry Grad events**
- Wreath Making (November 30th in the cafeteria)**
- Bottle drives (the first one is on November 21st)**
- Dry Grad event (after Graduation Dinner) on June 11th**
